Welcome Message

Welcome to this month's ChattBricks Newsletter! We're excited to connect adult LEGO fans (18+) from across the TAG Corner as we share updates, celebrate creativity, and look ahead to another great month of building fun. Whether you're a new member or a returning fan, we're glad you're here—let's keep building together!

Our Club Logo

The ChattBricks logo features the classic 1976 Thatcher Perkins Locomotive, celebrating Chattanooga's rail heritage and the creativity of LEGO builders. Its bold colors and vintage design reflect the spirit, imagination, and community at the heart of our 18+ club.

LEGO Ideas Approves Mighty Morphin Power Rangers Megazord Set

LEGO has officially approved the fan-created "Go Go Power Rangers! LEGO Megazord" project from LEGO Ideas, moving it one step closer to becoming an official release. This design, inspired by the classic Mighty Morphin Power Rangers series, lets builders recreate the iconic Megazord and potentially break it down into its individual Dino Zords.

The project reached the required support threshold and impressed LEGO's review panel, securing approval alongside other exciting fan concepts. Fans are now eagerly awaiting further details on release timing, piece count, and minifigure lineup as this nostalgic set enters development.

MONTHLY MEETINGS AT SCENIC CITY BRICKS

ChattBricks meets every month at Scenic City Bricks in Soddy-Daisy, TN for a relaxed, fun evening of LEGO building, sharing, and connecting with fellow Adult Fans of LEGO (18+). Whether you bring a MOC, a favorite set, or just your creativity, our meet-ups are the perfect place to trade ideas, showcase builds, and make new friends across the TAG Corner.

Meetings are held Sundays from 6–8 PM EST. Adults 18+ only. All skill levels welcome.

A Night of Building and Community at Scenic City Bricks

Last month's ChattBricks Meet & Greet at Scenic City Bricks was a fantastic evening of creativity, collaboration, and connection. Members came together for a relaxed night of building, conversation,

and hands-on fun, proving once again that ChattBricks is as much about community as it is about bricks. Builders of all styles and experience levels shared ideas, swapped techniques, and enjoyed seeing LEGO through fresh perspectives.

One highlight of the evening was the group build of a custom stand for the ChattBricks club sign. Working together, members transformed a simple concept into a colorful, eye-catching display that now proudly represents our club. The project sparked great discussion about design choices and structural ideas, setting the tone for future collaborative builds. As we look ahead, members are encouraged to bring their own MOCs to upcoming meetings so we can continue sharing feedback, inspiration, and creativity—one brick at a time.

Thank You, Scenic City Bricks!

On behalf of ChattBricks, thank you to everyone at Scenic City Bricks for welcoming our club and providing such an incredible space for our monthly meet-ups. Your support, hospitality, and shared love of LEGO have helped make our gatherings relaxed, creative, and truly special. We're grateful to be part of a store that celebrates community, imagination, and builders of all kinds. We look forward to many more great nights of building together—one brick at a time!
